

ISO 9001:2015 Transition Course

This is a practical one-day course designed to give delegates an understanding of the changes and the tools and strategies needed to implement the new ISO 9001 quality management standard.

It is aimed at anyone who has, or is looking to gain, a certified Quality Management System (QMS) and wants to achieve an efficient and effective transition to the new standard.

Course content:

- Key changes between ISO 9001:2008 and ISO 9001:2015
- New requirements in Annex SL (Appendix 2) relating to organizational context, leadership, planning and support
- Identify how to integrate the QMS with business processes

By completing this course, delegates will:

- Understand the proposed changes to ISO 9001:2015 and their intent
- Identify and plan actions to enable an organization to conform to, and realize the benefits of the new requirements

Who should attend?

Anyone involved in the planning, implementing or supervising of an ISO 9001:2015 transition, as well as ISO 9001:2008 auditors who need to convert to ISO 9001:2015.
